

★ UPDATED MTOW VISUAL REQUEST TEMPLATE

“Create an MTOW-style minimal line-art illustration for this visual line:

[insert your visual line]

Metaphor: [insert metaphor]

Use updated MTOW visual rules.”

★ UPDATED MTOW VISUAL RULES (Medium Color Pop)

Background

- Warm off-white background #FAF9F7

Line Art

- Thin line art 2–2.5px
- Line color #333333
- Minimal, clean, no visual noise

Color Pop (Medium Intensity)

Use **one** of these accent rules depending on the metaphor:

Option A — Single Accent Color

- Orange #F08A24
OR
- Purple #4C3FA0

Option B — MTOW Gradient (recommended for handwritten or main metaphor element)

#F08A24 → #D38C4E → #4C3FA0

Accent Placement (important for consistency)

Use *one or two* of the following per visual:

- **Main metaphor element** (path, stone, bar, circle outline, door edge, etc.) may use the gradient
- **Small accessory element** (dot, mark, item, ray, stepping stone) may use orange
- **Handwritten accent text** should use the **gradient**

Style Requirements

- Calm, modern psychological-wellness aesthetic
- Soft, minimal composition with generous negative space
- No shading
- No heavy outlines
- No cartoon or clip-art style
- No busy fills
- Everything should feel: *gentle, supportive, grounded, intentional*

Output Expectations

Your visuals should:

- Feel consistent with the previous MTOW visuals
- Add color in a controlled, intentional way
- Stay minimalist and soothing
- Communicate emotional support rather than literal instruction

•
